

INTRODUCTION LETTER

TO WHOM IT MAY CONCERN,

We, at **Smooth Sliding Doors**, can repair all types of sliding doors from Aluminum Patio doors to Internal Sliding Doors, Fly screen doors, Security doors and Shower Screens. We can also repair windows and wardrobes, install light internal doors and rescreening of fly screens.

We are a mobile service and can come to you. Our vans are stocked with over **350 lines of products** including rollers and carriages, locks and latches, slides and guide and cover tracks. This means many different brands of **doors can be repaired on the spot**, including Jason, Dowell, Stegbar, Affinity, Precision, Frontline & many more.

With over 5000 satisfied customers, and over 12 years experience we offer a **Prompt, Efficient, Honest & Polite service** with **reasonable rates**. All team members have **Police clearance & 12 Month warranty on parts and labour** is provided to give you "peace of mind".

This service would be invaluable to you if you are contemplating selling, renovating an investment property or would just like to improve the comfort of your home.

If you think you could utilise our services or just need some advise, we would be glad to hear from you. We can be contacted via a web site that is available to view at www.smoothslidingdoors.com. Email, telephone and postal address are provided at the bottom of this letter.

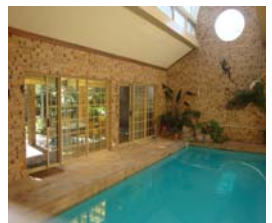

"There's nothing we like more than a Smooth Sliding Door"
